To Volunteer or for More Info  
Call 1-844-920-MSAR (6727)

Founded in 1977, the Malibu Search & Rescue Team is an all volunteer organization comprised of Los Angeles County Sheriff's Department Reserve Deputy Sheriffs and Civilian Volunteer Specialists. Team members volunteer their time and efforts to help others and the team does not charge for rescues. The Team is a unit of the Los Angeles County Sheriff's Department and is also a member of the prestigious California region of the Mountain Rescue Association.

The all-volunteer team relies on private donations to support its life-saving search and rescue missions. 100% of each dollar generated from this event goes directly to the team, its equipment and its mission.
